FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HB 430 - SB 427

March 25, 2011

SUMMARY OF BILL: Requires all revenue from traffic enforcement cameras to be designated to permanent public works projects.

ESTIMATED FISCAL IMPACT:

Other Fiscal Impact – Fine revenue of \$5,594,100 that is currently allocated at the discretion of local governments will be directed to permanent public works projects.

Assumptions:

- The Department of Safety does not operate such cameras.
- Approximately \$5,594,100 in local government revenue is generated each year from traffic enforcement cameras statewide.
- Local governments currently allocate funds for various expenditures. Requiring revenue to be designated for a specific purpose will result in a decrease in funding for certain local government agencies and programs.
